The request is granted. Plaintiff shall respond to the pre-motion letter by October 26, 2023. The Clerk of Court is respectfully directed to close Docket Number 20.

SO ORDERED. Date: October 12, 2023 New York, New York

JOHN P. CRONAN United States District Judge

O'Hara v. City Testing Centers, LLC, et al Re:

Case No.: 23-cv-03873

Your Honor,

This office represents the Plaintiff, Brianna O'Hara in the above referenced action brought under the Fair Labor Standards Act ("FLSA") and New York Labor Law ("NYLL"). We write, with Defendants' consent, to request an extension of Plaintiff's deadline to submit an opposition to Defendants' letter motion requesting a pre-motion conference, dated October 6, 2023. The current deadline is today, and this is our first request for an extension of this deadline.

We make this request because trial counsel on this case, Amit Kumar, has had an unforeseen, serious family emergency that has had him out of the office since yesterday and he will continue to be out for the next several days. Although we do apologize to the Court for making this request at the last minute, it could not have been done sooner. As soon as it became evident that Mr. Kumar would be unavailable for this submission, we promptly reached out to defense counsel for his consent to an extension, and he graciously agreed to it. Accordingly, we ask the Court to grant this request.

> Respectfully Submitted, LAW OFFICE OF WILLIAM CAFARO
